1	2	3	4	5
---	---	---	---	---

Comments:

General

Participating in the trial has met my expectations

1	2	3	4	5
---	---	---	---	---

Comments:

Before being offered the opportunity to participate in this trial, I knew research happened in this hospital

1	2	3	4	5
---	---	---	---	---

Comments:

1.Strongly agree 2.Moderately agree 3.Agree 4.Disagree 5.Strongly disagree

I know who funds the research I am taking part in

1	2	3	4	5
---	---	---	---	---

Comments:

I would participate in another early phase trial

1	2	3	4	5
---	---	---	---	---

Please provide a reason for your answer

Is there any aspect of care that has been better than you expected?

Is there anything about the way in which you have been cared for that you would like to have been different?

Is there anything else that would make your visits more comfortable?

Is there anything else you would like to tell us?

Thank you for completing this survey.
