

ECMC Annual Network Meeting

Wednesday 14 May 2014

Burdette Suite A, The King's Fund, No. 11 Cavendish Square, London, W1G 0AN

ECMC Quality Assurance & Translational Science Network Group

10th Anniversary Symposium of the ECMC QATS Network Group
Chairs: Jeff Cummings and Karen Swales

Aims:

This symposium is a chance to celebrate the achievements of the ECMC QATS Network Group. The main focus will be to look to the future with talks from key opinion leaders on areas where the QATS community will be most challenged in the next 10 years.
